

Pay It Forward Invergordon Community Event

With the downturn in oil many local towns are struggling with long standing businesses closing their doors for the final time. This event has been organised to raise some much needed community spirit and hopefully some money too. All proceeds raised will go back into community events e.g. re-opening the Invergordon cinema, elderly days out and discos.

10:00 – 12:00 Easter egg Hunt

Social Technology is now a big part of our lives. Something of which we cannot always switch off to. The Invergordon community event hopes to revitalise old fashioned games: hopscotch, jenga, monopoly and a reading corner will be available with assistance from Shirley Cooper for young children so that parents can relax and enjoy what the day has to offer. Additional events have been planned to ensure our kids are entertained all day and will commence with an Easter Egg Hunt.

12:00 – 15:00 Career Advice

The Inverness Army will be attending with virtual headsets, a caravan and a 45 minute presentation for those interested in joining.

Allan Ryan will be on hand to answer any queries you may have on what it's like being a Paramedic in The Scottish Ambulance Service.

Police Constables Munro and McBean in attendance depending on operational demands

IT Company Fujitsu will be available to discuss Careers in the IT sector.

Invergordon careers centre have a community support club that have offered to come to our event. They will be offering advice on CV's / job hunting / training and support so if you are looking for a job then please come along.

The Alness Army cadet force will be issuing leaflets and will have an inflatable stall

Invergordon Academy Head Master and deputy heads will also be in attendance for a meet and greet. This is a great chance for us to get to know them better.
