Information
WELCOME

Welcome to Invergordon Academy.

The school which is over 50 years old has maintained an excellent programme of internal refurbishment. It has maintained its Health promoting status over a number of years, and it is a school with excellent ICT facilities. A school which starts its day with Breakfast Club and ends with Homework/Study facilities. A school with a strong house system and a wide variety of extra curricular activities.

Situated on the northern shore of the Cromarty Firth, Invergordon has a population of around 4,000. For the greater part of the twentieth century it was an important admiralty facility because of its deep harbour. The distillery was built in 1961 and continues to produce base spirit and fine whiskies for clients worldwide. An offshore rig repair yard has provided an important link with North Sea oil and gas exploration and often, during the summer months, the community welcomes the arrival of cruise liners such as the QEII and The World. Adjacent to the school is a sports centre and swimming complex and the rural hinterland offers opportunities for participation in a wide range of leisure pursuits. A broad range of leisure and social activities is provided by Inverness which is less than half an hour away.

We believe that much of the strength of the school lies in the positive relationships between staff, pupils and their parents.

These relationships must be nurtured by a healthy exchange of information between teachers and pupils, between home and school.

We want our pupils to feel they are valued as individuals, as in a family.

The friendly nature of the school makes it an extended family – a family which always welcomes new members.

I look forward to meeting you soon.

Parental involvement
ENROLMENT
The school caters for children and young people from the age of 11 up until 18, from S1 to S6. School Roll is presently 355.

Invergordon Academy is the local school for pupils from Park, South Lodge, Newmore and Milton primaries. Enrolment forms for these pupils are issued to the pupils during primary 7.

Placing requests – Parental choice
Each Secondary school serves its own particular catchment area. Pupils whose homes are located in that area will have priority in being allocated a place in the school. However, parents have the right to specify the school in which they wish to place their child. Application must be made to the Area Education Manager, 84 High Street, Dingwall , IV15 9QN Tel: 01349 863441, placing request forms can be obtained from

http://www.highland.gov.uk/info/878/schools/11/school_enrolment/2

Transportation to and from school, for placing request pupils, is a parental responsibility.

If pupils live out with the school catchment area and their parents wish them to attend Invergordon Academy they can contact Mr Thompson, on 01349 852362 to arrange a visit.

COMPLAINTS AND REQUESTS FOR SERVICE
If a parent has any concerns they should contact their child’s support manager in the first instance, or the Senior Management Team for more serious issues.

The school will always endeavour to resolve issues by listening to parents and seeking solutions in partnership. Should a situation not be resolved, parents can contact the Education Officer, Area Education Office, Dingwall. Or see

Please note that transport is not a school responsibility and any queries should be addressed to the Local Transport Officer, Transport Office

http://www.highland.gov.uk/ Numbers: Area Education Office: 01349 863441
Transport Office: 01955 609561
ATTENDANCE/ABSENCE

Good attendance is vital if pupils are to achieve their full potential. But if a pupil is absent from school, a parent or guardian should contact the school on the first day of absence by either of the different ways listed below:

1) By text: 07860009041 or
2) Leave a message on school message system: 01349 855942 or
3) Phone school: 01349 852362

The school has introduced a new absentee notification system. Parents/guardians will be notified via text message if pupils are absent from registration. Therefore it is essential that we have up-to-date mobile and daytime contact numbers and emergency contact details for all pupils.

When returning to school after an absence, pupils must bring a note dated and signed by a parent or guardian given the reason for the time absent.

If a pupil needs to leave during the school day for an appointment etc, then a note confirming the appointment must be received by the school. Pupils must report to the school reception and ‘sign out’. If returning the same day, they must report again to the reception and sign in. Where at all possible, medical and dental appointments should be made outwith school hours.

If pupils fall ill during the day, parents are contacted for them to collect their child.

Schools are required to keep an attendance register by law. We have a responsibility for the care and welfare of all pupils during the school day therefore we need to know the whereabouts of absent pupils.
PARENTS/GUARDIANS/CARERS AS PARTNERS

We believe that much of the strength of the school lies in the positive relationships between staff, pupils and their parents. These relationships must be nurtured by a healthy exchange of information between teachers and pupils, between home and school. We always welcome parental interest in the welfare of our pupils. Whatever the nature of the issue, you can be assured of our help.

The school works very hard to keep parents informed regarding their child’s progress and any key decisions being made about their education. This includes:

- Parents’ evenings
- Progress checks
- Target Setting
- Course choice/Options evenings
- Information on the school website

The support of parents in their children’s education is key to the success of young people. Taking time with them, discussing work, practicing language, helping them manage their homework and encouraging responsibility are important ways of supporting children’s learning.

The school always seek to involve parents in any key decisions about their child’s education and keep parents informed about progress.

Parental information is obtained from questionnaires issued regularly at Parents evenings and from Parent Forums.

A member of the Senior Management team is in school most evenings for parents to contact with any issues.

Parent Council is a group of parent volunteers to represent all parents of children at the school. The function of this body is to:

- support the school in its work with pupils
- represent the views of parents
- promote contact between school, parents, pupils and the community

Any parent who wishes to raise an issue for the Parent Council to consider or become involved can do so by contacting Mrs C Richmond on 01349 852701.
Useful information for parents and how to get involved in your child’s education, how to support the school, information on curriculum developments can all be found at Parentzone: http://www.educationscotland.gov.uk/parentzone/

**Parental Communication**

Contact meetings for parents are normally held on a number of occasions during the session. The pattern has been:-

Term 1 and Term 2 for parents of pupils in S1

Term 3 for parents of pupils in S3 including time to discuss Option Choices with staff

Term 2 and Term 3 for parents of pupils in S4 to discuss Option Choices with staff

Term 2 and Term 3 for parents of pupils in S5/6 to discuss Option Choices with staff

Term 3 for parents of pupils in S2

Regular updates are forwarded to parents throughout the year in the form of reports, target setting and progress checks.

Parents who wish specific reports on their child’s progress at any time are welcome to make an appointment with the appropriate Support Manager or the Depute Headteacher.

Arrangements are made for pupils enrolling at the Academy at the start of the session to see round the buildings in June, and to spend a week in their classes as part of the Primary-Secondary Induction programme.

Parental surgery – Headteacher available for parental contact if necessary after school hours.

Regular new items are also published on the school website containing updates on school events.

Parent viewpoints are collated from surveys issued at parents evenings, the results of which are published on the school website.

**Complaints / Concerns / Comments**

Any feedback (good or bad) is always welcome at any time. Please feel free to either email the school, or contact the appropriate Depute, or the Headteacher.
SECTION 4

School Ethos
AIMS AND VALUES

The aim of the school is to enable the pupils of Invergordon Academy to achieve their full potential, to contribute to their development as active citizens and to take advantage of the opportunities life will present to them. Invergordon Academy aims to provide all its learners with an education that allows them to achieve success in the widest sense in a friendly, supportive environment.

In carrying out all aspects of our work, we will:

- value all our learners equally
- maintain positive purposeful relationships
- develop a strong sense of community
- have high expectations of all our learners
- seek to develop mutual respect between staff, pupils and parents
- Strive to improve the health & well-being of all members of our school community.
- Positive destinations for leavers
- Celebrate achievements through school website, prize-giving, assemblies, pupil profiles, house system and media systems.

The success of the school depends on good teamwork, in which the skills of the staff along with the support of parents and the wider community will be directed towards the advancement of the pupils. We therefore value highly the relationships we have developed with parents, our local community and business partnerships. Pupils are encouraged to participate in a wide range of activities involving local businesses and the wider community, many of which enhance qualifications and promote the personal development of the individual pupil.

PARTNERSHIPS

Local ministers are invited to assemblies throughout the session. Parents have the right to request their child does not attend assemblies with a Christian focus for alternative reflection.

The school has strong links/partnerships with a number of agencies/businesses/alternative education bodies.

Very successful links with local industry enable all pupils to participate in a work placement.
PUPIL BEHAVIOUR AND DISCIPLINE

We believe

- Good order is essential for effective learning.
- All behaviour problems should be treated with firmness, fairness, sympathy and understanding.
- The welfare of all pupils is our concern.
- Communication and consultation with parents at an early stage are essential in preventing and treating behavioural problems.

Aim

- We aim to promote the development of each pupil by encouraging:
  - a sense of personal responsibility
  - concern for the welfare of others
- This depends on good working relationships, based on mutual respect and understanding:
  - among pupils
  - between teachers and pupils
  - between teachers and parents

Bullying

Fortunately, most pupils enjoy school most of the time. The greatest cause of unhappiness in any school can be the nastiness of pupil to pupil, this can happen in a variety of ways including verbal comments, physical conflict or, increasingly, through the internet and social networking sites. However when unhappiness is caused we will help and deal with any issues of bullying swiftly. Please speak to your support manager.

Support through Teamwork

Within the school an effective referral system operates, with the staff working as a team. Difficult cases are passed to senior members of staff, thus offering support to class teachers and enabling the work of other pupils to continue with little interruption.

This team is often extended to include parents whose support is regarded as essential. Parents are encouraged to contact the school if they have any concerns.

Effective links are maintained with external support agencies such as the Psychological Service, Social Work Department, Children’s Panel and Police. http://forhighlandschildren.org/ In any incident involving misuse of drugs, the school will follow Council procedures.
SECTION 5

The Curriculum
CURRICULUM
Pupils are encouraged, in a warm and friendly environment, to acquire the skills and knowledge which will enable them to develop as responsible adults. A balanced curriculum is provided to meet individual needs within the national guidelines.

The Subjects
As recommended in current national guidelines English, Maths, Religious and Moral Education, Physical Education and Personal and Social Education form the compulsory core of subjects.

Other subjects taken in S1 include French, History, Geography, Modern Studies, Science, Technical Subjects, Home Economics, Art, Music, Information Technology.

Courses in research skills and study skills are also provided to prepare pupils in the use of the library, computers, internet and project planning.

Personal and Social Education is largely delivered by the Support Team and incorporates all aspects of personal and social development e.g. Health Education, Careers Education, Relationships etc.

In accordance with Regional and National Guidelines, Religious and Moral Education offers a non-denominational approach to the study of world religions and seeks to promote tolerance of other people's views. Special arrangements will be made for pupils whose parents do not wish them to participate in religious education.

Subject Choice
During S1 – S3 pupils will follow an extensive programme of preparation for choice of subjects leading to National Qualification.

Advice will be offered on the likely level of success in the various courses. This advice will be based on careful monitoring of the pupils by class teachers and support staff. Personal interviews with pupils and their parents and possible career interests will also be taken into account.

A similar process applies in S4 and S5 as pupils are prepared for employment or further education.

Option choice information booklets are issued to pupils prior to entering S3, S4, S5 and S6. Option choice Parents evenings are also arranged.
Curriculum for Excellence

Further information on the curriculum and new qualifications is available at www.educationscotland.gov.uk/parentzone/

Extended Range of Subjects

As pupils progress through school a range of courses is being offered to provide breadth and balance to the curriculum and to meet the individual needs of pupils.

Distance Learning

The school provides courses for which it does not have a teacher, or for which there is only a very small demand, by providing Senior pupils with the opportunity to participate in Open Learning and distance Learning Courses.

The pupils have access to a tutor in some distant location, using electronic mail, internet and video conferencing.

In this way we try to meet our aim of responding to each pupil’s needs.

Technology

Information technology is widely used in all subjects and at all stages.

We are one of the most well equipped schools for Information Technology in the Highlands. All pupils have access to e-mail and internet. Every classroom has a digital projector. Some classrooms have Interactive Smart boards. There are 25 wireless mobile laptops for use throughout the school. There are 30 iPads for use throughout the school. All this equipment and other electronic aids are widely used to enhance the learning experiences of the pupils. Pupils are encouraged to use them as tools in problem solving, investigative work and the presentation of information.

Invergordon Leisure Centre is next to the school, this enables pupils to use these facilities, not only during PE times, but for personal fitness programmes. The centre has a swimming pool, fitness rooms, games hall, squash courts.
Library

The Library is staffed by a qualified Librarian and is open all day, including lunch times. The Library’s computer system is connected to the Public Libraries. This means that pupils will automatically join the Public and school Library when they start at the school. Using the Public Library system gives pupils free access to a wide range of online newspaper databases and other materials.

The school Library houses books, magazines, newspapers, audio books, DVDs, videos and board games. The computers in the Library offer access to the Internet and several software programmes used for revision and study. The Library works in co-operation with departments within the school by providing resources to support each subject as well as teaching research and study skills, which will assist pupils both in school and in later life.

A careers section houses a comprehensive range of information in both print and multi-media form, as well as prospectus for Universities and Colleges.

Work Experience

All pupils are given the opportunity to participate in work experience during their school career. Senior pupils also have the opportunity to build work experience into their timetables.

College Links

A number of pupils now attend College as part of the Vocational Pathways Programme and this enables them to gain first-hand knowledge of particular areas of work.
CAREERS ADVICE

During their time at Invergordon Academy, all pupils will participate in a planned programme of careers education delivered by a range of people including PSE teachers, school librarian and representatives from Careers Scotland. At key stages such as option choice decision-making, most staff will be involved in making recommendations or giving general advice. We rely on the good links between home and school to ensure that through open dialogue, the most appropriate decisions for individual pupils are arrived at.

There have recently been significant changes in the operation of Careers Scotland in terms of working in schools and the overall emphasis is now on career planning. The strategic aim of Careers Scotland is to equip individuals with the skills to make well-informed, realistic career decisions throughout their working lives. Specialist careers staff can offer services in various ways that will allow the pupil flexibility while helping Careers to differentiate levels of service according to need:

- **high priority** pupils are those identified as not likely to make a smooth transition from school to further/higher education, training or employment.
- **medium priority** are those not at risk but nevertheless requiring career planning support;
- **low priority** are pupils able to self-help.

Invergordon Academy operates the 16+ initiative which is aimed at ensuring all school leavers have the offer of a positive sustainable destination.

There is a key Careers Adviser linked to Invergordon Academy, and is available on selected Parents' Evenings to advise on matters relating to career and curricular choice. The Careers Team can also be contacted by parents or pupils at:

**Careers Scotland**, 69-71 High Street, INVERGORDON, IV18 0DH
Additional Support Needs

Through close links with the primary schools the support staff to gain a clear picture of the abilities of all pupils before they come into the school and advise class teachers.

Teachers draw to the attention of the support teachers any pupils who are having difficulties. Such pupils are regularly monitored and parents kept informed of progress.

The support teachers monitor the progress of pupils formally recognised as having special educational needs. The needs of such pupils are generally catered for within the normal pattern of courses but with specialist advice and support as required.

Under certain circumstances the school will make special arrangements, with the approval of the Scottish Qualifications Authority, to allow pupils with specific learning difficulties to participate in examinations for the award of National Qualifications. This ensures equality of opportunity and enables such pupils to achieve to their maximum potential. http://www.highland.gov.uk/learninghere/supportforlearners/

Finance information for pupils leaving for College and University is provided to pupils.

http://www.scotland.gov.uk/Topics/Education/UniversitiesColleges/16640/learnerfunding/highereducation

RELIGIOUS OBSERVANCE, Withdrawal Special arrangements will be made for pupils whose parents do not wish them to participate in religious observance.
SECTION 6 and 7

Assessment and Reporting
ASSESSMENT AND REPORTING

As a school, we seek to provide information to pupils, parents and staff to assist in the effectiveness of learning and teaching process and in raising attainment.

Teachers will use the assessment process as an evaluative, diagnostic and formative tool to provide evidence of pupil attainment and progress and to inform learning and teaching approaches and pupil targets.

Pupils should view the assessment process as a motivating experience which takes place within the overall context of a supportive school. Pupils should make use of feedback, in all its forms to inform next steps for the improvement of their own learning.

Parents will receive feedback on their son or daughter’s progress through pupil reports, progress checks, and target setting information. http://www.educationscotland.gov.uk/publications/c/publication_tcm4624968.asp?strReferringChannel=parentzone&strReferringPageID=tcm:4-634353-64&class=l1+d140754

Pupils will reflect on their progress, achievement and best work on their e-portfolio.

Progress

Parents wishing to enquire about a pupil's progress are invited to get in touch with the individual pupil's Support Manager.

Details of where information regarding the school’s exam performance at local and national level can be obtained: http://www.educationscotland.gov.uk/scottishschoolsonline/index.asp
SECTION 8

Transitions
Transition

Transition from P7 into S1 arrangements begin within on-going and close liaison between the Academy and associated primary schools over particular needs and priorities.

A mini highland games event is held in May for P7 pupils with S1 pupils helping.

Secondary staff visit primary schools, each pupil receives an information pack.

Transition induction week is in June when P7 pupils attend the Academy. During this week pupils follow their Secondary timetable in their Secondary classes. By the end of this week pupils have dealt with all the Secondary routines and have met their teachers. A parents evening his held during this week.

Senior pupils buddy up with a S1 pupils to help them settle in.

Senior pupils work closely with younger pupils in paired reading, Maths, PE programmes.

Secondary pupils receive information at option stages during PSE lessons, Parents' Evenings and through option booklets.

The school will ensure that all pupils leaving school has a positive destination. Parents should spend time with their child looking at the world of work website: http://www.myworldofwork.co.uk/ and http://www.highland.gov.uk/learninghere/16pluslc/
SECTION 9

Support for Pupils
SUPPORT FOR PUPILS

The System

The support system is designed to:

- Make sure that each pupil individually receives the care and advice which young people need in growing up and choosing careers.

- Help pupils in consultation with their parents to take increasing responsibility for decisions which have to be made.

- Ensure that there is a teacher, well known to the pupil, who may be approached for help and information.

Support staff maintain contact with a case load of pupils throughout their period of attendance at the school. This is developed through:

- Personal counselling interviews.
- Teaching Social and Careers Education.
- Monitoring of attendance and punctuality and exchange essential information with teachers in support of the pupils.

We actively promote the personal development of individuals. The Support team seeks to encourage pupils both within and out of school to participate in a healthy, balanced range of pursuits.

Drug and Sex Education is presented in a context that values stable relationships, healthy living and personal responsibility. It is set within the wider context of health education and personal and social development. The programme, from S1 - S6, follows National and Regional Guidelines and is regularly reviewed. Materials are available for parents to view and discuss at parents evenings throughout the year and at any other time arranged to suit. Discussion with parents on any aspect of the pupils' personal development will be welcomed.
Invergordon Academy is all about: Positive Ethos, Obvious Pupil-centred Learning Environment

(for Learning, Emotional, Social & Behavioural Difficulties)

Identification

Through close links with the primary schools the support staff to gain a clear picture of the abilities of all pupils before they come into the school and advise class teachers.

Teachers draw to the attention of the support teachers any pupils who are having difficulties. Such pupils are regularly monitored and parents kept informed of progress.

Paired Reading/Paired Sums

A very successful programme of support of pupils with reading and numbers difficulties is arranged in conjunction with the Educational Psychologist and using help from senior pupils.

Additional Support Needs

The support teachers monitor the progress of pupils formally recognised as having special educational needs. The needs of such pupils are generally catered for within the normal pattern of courses but with specialist advice and support as required via Tutorials and if required, a child’s plan may be put in place to outline an action plan to help organise, monitor and regularly review a child’s progress. Parents and pupils will be involved in these procedures and in reviews.

If you feel your child has additional support needs please contact Mr A Thompson at the school. For further information:

A Children’s Service Worker is based at the school and:

- works in collaboration with the support team in school
- works to support families in their own communities
- works with individual pupils and small groups - offering a further level of support

The School Nurse, visits and is available for consultation by pupils.

Primary Mental Health worker, is also in school on a regular basis.
SECTION 10

School Improvement
STANDARDS AND QUALITY REPORT

Invergordon Academy’s Standard and Quality report is available on our website at:  http://invergordonacademy.com/

From this document our key strengths are:

- Most pupils in the school are happy, get on well together and present to visitors as polite and courteous young people.

- Our school has a very positive ethos and a safe, productive high quality learning environment.

- Staff in the school deliver a high level of personal support for pupils which maximises the opportunities for most pupils.

- The staff in the school work hard at trying to improve what they do.

School Improvement plan can be found at:  http://invergordonacademy.com/

DRESS CODE

Invergordon Academy Dress Code

We reviewed our dress code in December 2015 with the help of pupils and parents. Thank you to everyone who took part in the survey. We are very glad that the popular opinion is that pupils should look smart in school.

We have revised our dress code guidelines based on the feedback.

School dress code can be a big expense for a family and so we would ask that we move towards the smarter look by the new session in August 2016.

The preferred dress code

- All pupils wear a school tie with a white or black school shirt.
- A plain black jumper or cardigan can be worn with this.
- Trousers or skirts should be black.
- The school will provide every S1 pupil with a tie during their transition visit.
- Ties will be the only item that needs bought from a specific supplier.

There is popular demand for school blazers. The school would love to see pupils in black blazers. These can be bought from a range of shops. If this option proves popular we will look into finding a supplier of sew on school badges for blazers.

In order to be flexible we will keep the option for S1-4 pupils only to wear school logo items as an alternative to a school tie.

The items with school logo available are

- A black knitted pullover £15.50
- A black knitted girls cardigan £16.00
- A black zipped sweatshirt £10.00 - £14.00
- A black v neck sweatshirt £9.00 – £12.00
- A white polo shirt £7.00 - £9.00
- A white T-shirt £4.00 – £6.00
- A white girls fitted polo shirt £9.00
- Tie £8.00
Dresscode can be purchased from MacGregor Industrial Supplies 15-17 Henderson Road, Inverness, IV1 1SN.

It can also be ordered from (Inverness, Elgin, Stornoway and Portree) and also via the main clothing telesales team based in Inverness. There branches and telesales team can be contacted as follows:

Inverness main office 01463 717999
Elgin 01343 541424
Stornoway 01851 706799
Portree 01478 612145

Opening Hours Mon-Fri 7:00 till 17:00 Saturday 8:00 till 12:00

Dresscode with school logo can also be purchased online via www.macgregorschoolwear.co.uk.

Points to note

- Skirts should be a reasonable length
- Leggings and joggers are not acceptable outside of PE.
- Black jeans become grey jeans after a number of washes and no longer look smart
- Sleeveless, collarless blouses are not appropriate with a school tie.
- There are no restrictions on foot wear other than health & safety concerns
- Excessive hair colourings or large jewellery are not considered appropriate for school.
- Outdoor clothing including scarves, hats, gloves, etc should not be worn around the school.
- All pupils have a locker provided to store their outdoor clothes securely.
Physical Education Kit

PE kit is essential. The following is required

<table>
<thead>
<tr>
<th>Inside</th>
<th>Outside</th>
</tr>
</thead>
<tbody>
<tr>
<td>Shorts/Joggers</td>
<td>Shorts or Joggers</td>
</tr>
<tr>
<td>T-Shirt</td>
<td>T-Shirt and Sweatshirt or Jumper</td>
</tr>
<tr>
<td>Trainers (non marking)</td>
<td>Outdoor Trainers</td>
</tr>
</tbody>
</table>

There will be times when classes will be working outside in inclement weather and therefore, for health and hygiene reasons, pupil’s kit should be a complete change of clothing. Pupils forgetting kit will borrow school PE kit.

Health

If a child is unable to take part in PE a note must be presented to the teacher in charge at the start of the lesson. Pupils must still take their PE kit with them and change into it so they can help out in class, for example, refereeing, coaching others, supporting others. Pupils may have a shower after PE if they ask the teacher in charge at the start of the lesson so adequate time can be given.

Aerosols: Deodorant/antiperspirants in aerosol form are not permitted in school.
EXTRA-CURRICULAR ACTIVITIES

Sporting
Football, Hockey, Athletics, Athletics, Badminton, Basketball, Cross-country, Cycling, Golf, Hockey, Rugby, and occasional weekend outdoor excursions are offered to pupils.

Cultural
Activities include Art Club, Drama, Debating, Public Speaking, Power Readers, Exchange Visits, Scripture Union, Traditional Music Group, Orchestra, String Group, Breakfast Club, Chess Club, Rock Challenge.

Charitable
Each year pupils organise a range of events to raise funds for charities. Sponsored events, sales, concerts, fashion shows etc have all enabled pupils to work with the community to show their concern for those less fortunate than themselves. A number of successful enterprise projects have enabled pupils to raise funds this session.
Singers and musicians also regularly visit homes for senior citizens to provide entertainment.
Homework Space

There is a Homework space available to all pupils after school from 3.30pm - 4.30pm. Expertise in different subjects and access to computers and the internet is available. Pupils who travel by bus will receive a bus extension pass.

Homework is important because

- It gives pupils experience in managing their own learning.
- It is reinforcing what has been learnt in school.
- Pupils can identify areas where they need to ask for further help.

Homework may take several forms

- Reading Notes
- Making Notes
- Reading Library Books
- Completing Class Work
- Learning Vocabulary
- Formal Written Exercises and Investigations etc.

Parents are important

- They can help by offering encouragement and advice and ensuring that work is completed on time.
- All pupils receive homework which is recorded in Show My Homework on-line site.

Invergordon Academy is all about: Positive Ethos, Obvious Pupil-centred Learning Environment
House System

Pupils are assigned to houses under the leadership of their House captains. Various sporting and cultural activities which ensure high levels of participation among pupils of all ages in a variety of recreational and educational pursuits. Pupil Council

Pupil participation in school is encouraged through the Pupil Council. Representatives from each year and each House meet regularly with their Head of House and the SMT to discuss issues that are of concern and new ideas from pupils. All pupils have the opportunity to raise issues for discussion at the Pupil Council through PSE lessons.

Two members of the Pupil Council represent the school on Highland Youth Voice.

Classroom Behaviour

Wear dress code
Be on time for class
Use your homework diary to record homework
Complete any homework given
Put hands up, don’t shout out
Follow teacher instructions
Come prepared for class eg jotter pen etc
Keep on task

Health Promoting School

As a Health Promoting school we also encourage pupils, staff and parents to think about healthier lifestyles. S1 pupils are encouraged to set Health Targets. Healthy living is a regular topic in classes. We have a School Travel Plan which promotes safe and healthy routes to school. Staff take part in health promotion activities.
activities. We value all the activities that make up a healthy and happy community.

**School Meals** cost £2.55 for pupils and just keep getting better, with better quality food, healthier meals, larger portion sizes and more and better choices. If a pupil has special dietary needs, please inform the school. Free meals can be claimed in certain circumstances, for information and application form please see: [http://www.highland.gov.uk/info/899/schools_- _grants_and_benefits/10/free_school_meals_and_assistance_with_clothing](http://www.highland.gov.uk/info/899/schools_- _grants_and_benefits/10/free_school_meals_and_assistance_with_clothing)

Application forms are available from the school reception. Pupils receive credit on their account which they can use during break and lunchtime in the canteen.

The Highland Council operates a ‘Cashless catering’ system which utilises pupils’ NEC cards. For further details please see: [http://www.highland.gov.uk/info/878/schools/9/school_meals/2](http://www.highland.gov.uk/info/878/schools/9/school_meals/2)

**Lunchtime Choices**

Parents are responsible for pupils who decided to go outwith school grounds at lunch time. For school meal menus: [http://www.highland.gov.uk/learninghere/schools/schoolmeals/](http://www.highland.gov.uk/learninghere/schools/schoolmeals/)

**Breakfast**

Pupils and staff can have a breakfast from a wide ranging menu at a subsidised rate. Breakfast runs each day from 8.00 am - 8.40am in the café.

**Administration of Medicines**

Prescriptive medication should be given at home by parents.

Only if necessary staff will administer prescribed medication, parents to complete form provided by school office.

**Minor injuries**

School will only deal with minor cuts and bruises, these will be cleaned and a plaster applied.
Mobile phones etc
Mobile phones can only be used outwith class time. If they are used in class the teacher will take the phone and pass it to a member of the senior management team. No photographs or videos should be taken without other pupils and staff giving their permission.

Employment of Children
The employment of children byelaws regulate the types of occupation in which children under school leaving age may be employed and other conditions of employment. For further information please see:

2009 Additional Support for Learning Act:

Information about the 2009 Additional Support for Learning Act

Legal information

What does this mean for pupils and parents?
The new Act doesn’t change the basic purpose of the 2004 Act – it aims to strengthen some duties under the Act and clarify parts that have been confusing.

Here are some of the main changes:

• Under the 2004 Act ‘additional support’ means support that is provided in a classroom or a school. The 2009 Act changes this to include support that is given out of school but that helps a child get the most out of their school education. This could include a social worker helping a child who refuses to go to school or a mental health nurse supporting a child to cope with issues affecting their school life.
• Children who are looked after by a local authority will automatically be assumed to have additional support needs. For looked after children who don’t need extra help this will have little impact. For those who do need help it will make sure their needs are considered as they move through school or if they change school. Local authorities will also be expected to check whether these children require a Co-ordinated Support Plan (CSP) or not.

• The 2009 Act allows parents to ask their local authority for a specific type of assessment at any time. Under the 2004 Act parents had this right only when asking the education authority to identify whether their child had additional support needs or when asking the education authority whether their child required a CSP.

• The duties that local authorities have towards young disabled children have been strengthened. Under the new Act local authorities have a duty to assess disabled children aged between 0 and 3 and provide them with additional support, if required, in agreement with their parents.

• Local authorities will have to publish information on where parents and carers can find help, information and advice, including contact details for Enquire. Local authorities will have to make sure that a summary of this information (including details of dispute resolution and mediation services) is available from all schools (and other sites that provide education). They also need to make sure this information is included in school handbooks and on their website.

• There is a section about placing requests that states that parents of children with additional support needs, (including those that have CSPs) can make placing requests to any school in Scotland including schools outside of the local authority area they live in.

• All appeals about placing requests to special schools (whether the child has a CSP or not) will be referred to the Additional Support Needs Tribunal. Some of the changes made in the 2009 Act deal specifically with children who have, or may require a CSP, and in particular to disagreements between local authorities and parents about the CSP.

• The Act extends the reasons that a parent or young person can make a referral (called a reference) to the Additional Support Needs Tribunal. Parents can make a referral when a local authority decides that a child does not need a CSP but also when local authorities have: failed to provide the additional support set out in the CSP; not responded to a parent’s request to find out
whether their child needs a CSP within a given time; or, after having said they will consider whether a CSP is required have not made a decision (within a given time) on whether the child needs a CSP or not.

• The Act also gives the Additional Support Needs Tribunal extra powers to force local authorities to provide, or make arrangements providing additional support that is set out in a CSP if they have not done so.

• The new Act includes a duty for the Scottish Government to fund a national independent advocacy service (on request and free of charge) to support parents and young people in Additional Support Needs Tribunal proceedings.

The above points do not include all the changes resulting from the 2009 Act but simply cover the main points. Throughout the summer Enquire will be changing all their guides and fact sheets to take account of the 2009 Act.

**Education Maintenance Allowances (EMA)**

An EMA is a weekly payment worth up to £30 for pupils who are planning to stay on at school after their leaving age. They must complete a learning agreement at school for a minimum of 21 learning hours per week.

In session 2017/2018 pupils born between 1\(^{st}\) March 1998 and 30\(^{th}\) September 2001 can receive payments from August 2017. Pupils born between 1\(^{st}\) October 2001 and 28\(^{th}\) February 2002 can receive payments from January 2018. Further information on full eligibility criteria and application forms can be obtained from the school. [http://www.highland.gov.uk/learninghere/grantsandallowances/ema/](http://www.highland.gov.uk/learninghere/grantsandallowances/ema/)

**Adverse Weather**

Schools now have a dial-in service if there is risk of closure due to adverse weather. This allows parents to listen to a recorded message from the headteacher.

It is an enhancement to the present service and does not replace existing methods of giving out information, such as radio broadcasts, described in the schools Adverse Weather Guidelines.

To use the service dial 0800 564 2272 and enter Invergordon Academy's pin number when prompted: 04 1080.

You can also access the highland school closure website on: [http://www.highland.gov.uk/schoolclosures](http://www.highland.gov.uk/schoolclosures) for school closure information.

**Leaving procedures**

If you are transferring to another school some paperwork needs to be completed which requires a signature from a parent or guardian. Please arrange an appointment with Mr Thompson.

If you have come to the end of your school career, pupils aged 16 between 1\(^{st}\) March and 30\(^{th}\) of September may leave school at the end of May, pupils aged 16 between 1\(^{st}\) of October and the end of February inclusively may leave school at the end of the Christmas term. A leavers form is available from the school office and return all books to your teachers.
Pupil Property

Pupils are responsible for their own belongings, school is not responsible for any items that go missing or are damaged. Pupils are provided with a locker. It is recommended that pupils use the locker during the day and take all their property home each night. We strongly recommend pupils have their names on their clothing as a vast amount of property has to be disposed of every year.

Access to Pupil Records

The school pupil records (Scotland) Regulations 1990 extend to parents the right of access (with certain specific exceptions) to any record held by the Authority in relation to their child. Parents may make application to the Head Teacher.

Data Protection Act 1998

Information on pupils, parent and guardians is stored on a computer system and may be used for teaching, registration, assessment and other administrative duties. The information is protected by the data Protection Act 1998 and may only be disclosed in accordance with the codes of practice. Further information can be obtained from www.scotxed.net.

Transferring Educational data about pupils

The Scottish Government and its partners collect and use information about pupils through the Pupil Census to help to improve education across Scotland. This note explains why we need this information, how we use it and what we do to protect the information supplied to us.

Why do we need your data?

In order to make the best decisions about how to improve our education service, Scottish Government, education authorities and other partners such as the SQA and Skills Development Scotland need accurate, up-to-date data about our pupils. We are keen to help all our pupils do well in all aspects of school life and achieve better examination results. Accurate and up-to-date data allows us to:

- plan and deliver better policies for the benefit of all pupils
- plan and deliver better policies for the benefit of specific groups of pupils
- better understand some of the factors which influence pupil attainment and achievement
- share good practice
- target resources better
- enhance the quality of research to improve the lives of young people in Scotland
Data policy

Information about pupils’ education is collected through our statistical surveys in partnership between the Scottish Government and Local Authorities through the ScotXed Programme which aims to help schools and Local Authorities by supporting efficient collection, processing and dissemination of statistical information. The Scottish Government then provides analysis of the data to support research, planning, management and monitoring of education services as well as to produce National Statistics publications.

Education data within Scottish Government is managed effectively by secure systems and is exploited as a valuable corporate resource, subject to confidentiality restraints. As part of its data policy, Scottish Government will not publish or make publicly available any information that allows individual pupils to be identified, nor will data be used by Scottish Government to take any actions in respect of individuals. Data is held securely and no information on individual pupils can or would be made publicly available by Scottish Government.

The individual data collected by Scottish Government through the Pupil Census is used for statistical and research purposes only.

Your data protection rights

The collection, transfer, processing and sharing of ScotXed data is done in accordance with the Data Protection Act (1998). We also comply with the National Statistics Code of Practice requirements and other legislation related to safeguarding the confidentiality of data. The Data Protection Act gives you the right to know how we will use your data. This note can give only a brief description of how we use data. Fuller details of each individual ScotXed survey, including the purpose of each and the published data, can be found on the ScotXed website (www.scotxed.net).

Scottish Government works with a range of partners including Education Scotland, Skills Development Scotland and the SQA. On occasion, in order to help meet our aim of improving the life of young people in Scotland, we may make individual data available to partners such as the National Registers of Scotland to carry out research relating to the national population census and also academic institutions and organisations to carry out additional research and statistical analysis to meet their own official responsibilities. Any sharing of data will be done under the strict control of Scottish Government, and will be consistent with our data policy. This will ensure that no individual level data will be made public as a result of the data sharing and that these data will not be used to take any actions in respect of an individual. Decisions on the sharing of
data will be taken in consultation with relevant colleagues and individuals within and outwith Scottish Government. At all times pupils’ rights under the Data Protection Act and other relevant legislation will be ensured.

**Concerns**

If you have any concerns about the ScotXed data collections you can email the Head of Schools Analysis, Mick Wilson, at mick.wilson@scotland.gsi.gov.uk or write to The ScotXed Support Office, Area 2D, Victoria Quay, Leith, EH6 6QQ. Alternative versions of this page are available, on request from the ScotXed Support Office, in other languages, audio tape, Braille and large print.

**Equality and Inclusion**

Please see http://www.highland.gov.uk/ for up information, in summary, out activities in school should ensure that we:

Eliminate unlawful discrimination, advance equality of opportunity, promote good relations. Activities should not discriminate against any of the following ‘protected characteristics’ age, disability, race, religion or belief, sex, sexual orientation, gender reassignment, pregnancy and maternity.

**PROTECTION OF CHILDREN**

From time to time incidents can occur within the school setting which cause concern and could indicate that a pupil is suffering some form of abuse.

In terms of Highland Child Protection Committee Inter-agency Protection Guidelines, Education Service staff must report such incidents to Social Work Services which can lead to a joint Social Work/Police investigation.

All agencies involved in Child Protection are obliged to make the welfare of children their paramount consideration and this will be the priority for Education Service staff.

**COPIES OF CHILD PROTECTION POLICY GUIDELINES** are available from Mr A Thompson or online at [www.highland.gov.uk](http://www.highland.gov.uk)
